

## **Contessa Walker-Jackson of Exclusively by Tess Launches New Book and New Perfume Line**

**“My Tesstimony” and *Impress with Tess* are the latest creations from Contessa “Tess” Walker-Jackson, event planner, motivational speaker, nonprofit organizer, and entrepreneur. Tess hopes that others will be inspired by her testimony to believe in their ability to overcome and do.**

Huntsville, AL--Contessa T. Walker-Jackson's resume is impeccable. Not only is she the CEO & owner of Exclusively By Tess, LLC, an event planning firm out of Huntsville, Alabama, but also is a civic leader, youth mentor, motivational speaker, educator, and virtual talk show host. If that's not enough “Tess” has also worked behind the scenes at both the BET Hip Hop Awards and the Steve Harvey Neighborhood Awards. Tess believes that once someone achieves a level of success it is their way of helping others find their personal path to success in life.

“My testimony is in 'My Tesstimony',” says Tess. “I have had a challenging life, something many people who know me don't even realize because they see me as I am today. Truly, there were times when I fell down and never thought I would have the strength to get back up, but I held onto my faith and kept rising. It is true that God will make a way out of no way. He showed me the path out of my pain and led me to where I am today.”

Where she is today is the owner-operator of a well-known regional event planning business, founder of Teachers PETS Inc. an area educational nonprofit, and now the face of a perfume line called “Impress with Tess.”

“I am very excited to talk about my fragrances and perfumes,” Tess states. “I've been working with a great team to produce a line of Tess' fragrance and oils that I just know people will love.”

The signature fragrances, *Gold Roller* and *Eau De Parfum*, open immediately with opulent essences of tobacco leaf and aromatic spice notes. The heart unfolds with creamy vanilla and cocoa and finishes with dry fruit accord enriched with sweet wood sap. It celebrates youth and

femininity in its top notes that bring the aquatic nuances with pure and sharp notes of water lily, apple, freshly-sweet mandarin and apricot.

With a nonprofit, a successful event planning company, new book, and perfume line, what's next?

“Like I say in 'My Testimony', there is no limit to what you and God can do together as a team,” says Tess. “Who knows what I'll do next, but whatever it is will be a product of passion, determination, and a belief that with God all things are possible.”
